You have a page of graphics to look at. Answer the following questions for each graphic

1. Is it a nice graphic?
2. What is the story of the graphic?
3. Can the graphic stand on its own?
4. What conscious design decisions, if any, went into this graphic?
5. Think about the following:
  - Title
  - Annotations and other text
  - Color
  - Axis ticks and labeling
  - Focus/narrative/complexity
  - Font selection
  - Bar or line width/thickness
  - Alignment
